

SUSTAINABILITY POLICY

Sustainability Strategy

Maqbool Textile Mills Limited (MTML) manages its business in accordance with the responsible corporate governance principles geared to sustainable value creation in all areas. To ensure compliance with these principles, clear lines of accountability have been drawn in our management systems and are further reinforced through guidelines as well as control systems.

Environmental Protection

Environmental protection and the efficient use of resources are fundamental drivers for MTML's actions. With respect to our business activities, we aim to use all the natural resources as efficiently as possible while reducing emissions into the environment to a bare minimum.

Sustainability Strategy Framework

Our sustainability strategy focuses on crafting long-term value and providing a level playing field for future generations to meet their needs. This goal can only be attained through the efficient use of available resources, commitment to creating sustainable products and solutions and treating the environment and people equitably and with respect. The commitment of doing business in a sustainable way sets us apart from our demand. Our sustainability Strategy Framework supports our business strategy and is aligned with the company's purpose. The framework has five areas of focus:

- a) Environmental Protection
- b) Product Responsibility
- c) Corporate Social Responsibility
- d) Employee Management

We are guided by our sustainability framework while making efforts for creating sustainable value for all our stakeholders. The ultimate goal is to obtain excellence in operations and quality in products without compromising on protection of environment and interest of society at large.
