CHAIRPERSON'S REVIEW REPORT U/S 192 OF THE COMPANIES ACT 2017 ON OVERALL BOARD PERFORMANCE AND BOARD'S ROLE IN ACHIEVING THE COMPANY'S OBJECTIVES FOR YEAR ENDED JUNE 30, 2024

I take this opportunity to express my views on overall performance and effectiveness of the Board of Directors in leading the Company towards achieving its objectives..

Following the replacement of one of the Independent Directors, the Board reconstituted its two Committees:

- i. The Audit Committee which ensures effectiveness of internal controls and review the financial statements in order to ensure that the accounts fairly represent the financial position of the Company.
- ii. The HR Committee which overviews HR Policy framework and recommends selection and compensation of senior management team.

In order to engage in strategic planning, set leadership direction, and ensure the highest standards of ethical, moral, and legal conducts, the Board and its Committees are made up of members who have an appropriate mix of core competence, diversity, necessary skills, knowledge, qualification and experience. As required by the Listed Companies (Code of Corporate Governance) Regulations 2019, the Board has developed a mechanism for annual evaluation of the Board's performance. The performance evaluation ensures that all the statutory and legal requirements are fulfilled with regard to meeting, procedure and role of the Board. During the financial year 2023-2024 the Board successfully achieved targets and objects set for the growth of the Company keeping in view of the following:-

- 1. Performed effective and robust oversight.
- 2. Reviewed and approved overall corporate strategy, annual business plan, key financial indicators and other budgetary targets.
- 3. Ensured the quality and appropriateness of financial reporting and the transparency of disclosures in Annual and Quarterly Financial statements.
- 4. Carried out risk assessment especially regulatory legal requirements, market trends. Cotton supply and price, energy availability and cost, foreign exchange and fluctuations, interest rate and liquidity risk.
- 5. Reviewed the effectiveness of internal control system.

The contribution and commitment of each member of the Board and the employees of the Company, who ensured the Company's sustained growth is sincerely acknowledged.

Sd/-Chairperson Ms. Romana Tanvir Sheikh

Multan, November 6,2024

DIRECTORS' REPORT

In the name of Allah the Most Beneficent and the Merciful

Dear Shareholders,

On behalf of the Board of Directors of the Company, I am pleased to present before you the 35th Annual Report on the affairs of your Company along with the Audited Financial Statements of the Company for the year ended June 30, 2024.

PERFORMANCE OVERVIEW:

During the period under report, the Pakistan textile industry was adversely affected due to multiple reasons, including but not limited to : (i) increase in finance cost due to unprecedented increase in markup rates consequent to hike in State Bank of Pakistan policy rates (ii) withdrawal of subsidy on energy prices resulting into more than double increase in electricity cost (iii) general recession and slow down of economy and resultant decline in the production capacity utilization of Company (iv) scarce availability of foreign exchange for import of raw materials, spare parts and machinery (v) insufficient availability of raw materials i.e. Cotton, Polyester Staple Fiber and Viscose Staple Fiber (vi) inconsistent policies of government. Due to the above factors, lesser production, lesser sales with higher cost of production caused decline in Gross Profit and resultant Net Loss for the year.

OPERATIONAL PERFORMANCE:

Year Ended	June-2024	June-2023
Total Production:		
Unit No.1	6,942,422 KG (20's Count)	8,673,792 KG (20's Count)
Unit No.2	4,487,540 KG (40's Count)	3,790,430 KG (40's Count)
Unit No.3	7,407,231 KG (30's Count)	5,834,782 KG (30's Count)
Unit No.4	3,812,401 KG (20's Count)	3,719,875 KG (20's Count)
Total Sales (Incl. Sales Tax) Local Sales Export Sales Gross Profit/Loss Net Profit/Loss	Rs. 11,848,125,011 Rs. 9,876,770,084 Rs. 1,971,354,927 Rs. 379,646,619 Rs. (698,417,085)	Rs. 11,474,345,582 Rs. 11,097,998,838 Rs. 376,346,744 Rs. 655,943,987 Rs. (362,725,248)

The main reason for the loss during the year under review was the substantial increase in cost of fuel and power which **increased by Rs.1,103,217,225** from **Rs.1,324,524,253 in 2023** to **Rs.2,427,741,478 in 2024** which is <u>83.29% increase</u> as compare to last year. Similarly the finance cost was also **increased by Rs.132,210,847** from **Rs.632,648,197 in 2023** to **Rs.766,859,044 in 2024** which is <u>21.21% increase</u> as compare to last year. The total effect of increase in cost of energy and finance is **Rs.1,235,428,072** due to which the net loss has been incurred by the Company in the current year.

Had that the energy tariff been as per regionally competitive rates, and the markup rates in

MAQBOOL

line with regional competitors, the Company would have been in net profit.

ACCOUNTS:

The financial results for the year ended June 30, 2024 along with the comparative figures of the last year are summarized under the respective heads of Accounts below:

Year Ended	June-2024	June-2023
	(In Rupee)	(In Rupee)
Sales-net	10,313,728,239	9,837,136,934
Cost of Goods Sold	(9,934,081,620)	(9,181,192,947)
Gross Profit/Loss	(379,646,619)	655,943,987
Other Income/Expenses	28,421,632	30 ,778,697
Selling and Distribution Expenses	(83,546,254)	(57,071,613)
Administrative Expenses	(262,268,492)	(302,895,048)
Operating Expenses	-	-
Finance Cost	(766,859,044)	(632,648,197)
Profit/Loss before Taxation	(704,605,539)	(305,892,174)
Final Tax	(19,688,489)	(4,002,819)
Revenue Taxes	(104,279,666)	(118,259,877)
Income Tax	130,156,609	65,429,622
Profit Loss for the year	(698,417,085)	(362,725,248)
Earnings per share-basic and diluted	(37.89)	(19.68)

FUTURE OUTLOOK

The future outlook of the textile sector is expected to remain tough. In this scenario, the whole industry is looking towards the Government to support the textile industry of Pakistan and help it to be competitive globally by providing electricity at regionally competitive rates. Good corporate Governance, marketing quality, production efficiency and financial discipline will remain in top focus of the management but optimal results from the textile industry are not possible unless the Government addresses all confronted issues positively including high increasing energy prices and the still high markup rates. The future performance depends upon the response of local and international markets along with business friendly policies of the Government for the textile sector which must, among others, ensure provision of regionally competitive energy rates and sustainable markup rates.

The Company faced with these multifaceted and mounting challenges has planned to implement major cost cutting measures and is aligning itself to tackle the current market threats. Your Company is committed to maintain optimum quality, product diversification, exploring new markets and achieving higher production efficiencies.

INSTALLATION OF SOLAR ENERGY SYSTEM:

To meet the challenge of unusually increased highest ever energy tariff, the Company has arranged installation of the cheap energy sources i-e generation of electricity through Solar System. In this regard, your Company is pleased to report that in first phase a Solar Energy System of 3.3 MW has been imported & installation of said system will be completed in the current quarter leading to reduction in energy cost. Endeavour for generation through Gas Engines are also underway which will help reduce the energy cost during peak hours.

Further that, key policy rate of SBP is continuously reducing and currently stands reduced to 15% further decrease in Policy rate is also expected during the quarter which will help the Company reduce its finance cost.

DIVIDEND

The Board of the Directors of the Company has not recommended any dividend to the shareholders of the Company in its meeting held on November 6, 2024.

REVALUATION OF FIXED ASSETS

Valuation of the fixed assets (Land, building & Machinery) of the Company was carried out as of June 30, 2024 by the independent valuers M/s KG Traders on the basis of market value to reflect the current fair value of the assets of the Company. The net effect after deletion/ addition in assets was accounted for in the financial statements of the Company accordingly.

ISO 9001:2015 QMS AND ISO 14001:2015 EMS CERTIFICATION

Your Directors are pleased to report that your Company is quite successfully maintaining its ISO 9001:2015 Certification for Quality Management System and the ISO 14001:2015 Certification for Environmental Management System.

COMPLIANCE WITH CODE OF CORPORATE GOVERNANCE

The Board of Directors and management are aware of their responsibilities under the Listed Companies (Code of Corporate Governance) Regulations 2019 and Rule Book of the Pakistan Stock Exchange. The Company remains committed to the principles of good corporate management practice with emphasis on transparency and disclosures. Your Company is cognizant to monitor its performance to enhance the accuracy, comprehensiveness and transparency of financial and non-financial information.

In compliance of corporate law, the Board Members/Directors are pleased to confirm the following:

- a) The financial statements prepared by the management of the Company present fairly its state of affairs, the results of its operations, cash flows and change in equity.
- b) Proper books of accounts have been maintained.
- c) Appropriate accounting policies have been consistently applied in preparation of the financial statement and accounting estimates are based on reasonable and prudent judgment.
- d) International Financial Reporting Standard, as applicable in Pakistan, have been followed in the preparation of financial statements.
- e) The system of internal controls is sound in design and has been effectively implemented and monitored.
- f) The Company's financial position is sound enough to ensure its continuity as an ongoing concern.
- g) There are no outstanding statutory dues on account of taxes, levies and charges except of normal and routine nature.

مستقبل تۇپ لك:

ٹیکسٹائل سیکٹر کے مستقبل کا نفطہ نظر منتقبل میں کافی سخت ہونے کی تو قع ہے۔اس صورت حال میں پوری صنعت حکومت کی طرف دیکھر ہی ہے کہ وہ پاکستان کی ٹیکسٹائل انڈسٹری کوسپورٹ کرےاوراسے عالمی سطح پر مسابقتی بنانے میں مدد کرے۔ ا نظامیہ کی طرف سے اچھی کارپوریٹ گورنٹس، مارکیٹنگ کا معیار، پیداداری کارگردگی اور مالیاتی نظم وضبط سب سے زیادہ توجہ کا مرکز رہے گالیکن 🕺 شیکسٹائل انڈسٹری ہے بہترین نتائج اس وقت تک ممکن نہیں جب تک حکومت توانائی کی قیمتوں میں زبر دست اضافہ اور بےمثال مارک اب ریٹ سمیت تمام در پیش مسائل کو مثت انداز میں حل نہ کرے۔

مستقبل کے نتائج کا انحصار ٹیکسٹاک سیکٹر کیلیے حکومت کی کاروباری دوستانہ پالیسیوں کے ساتھ مقامی ادر مین الاقوامی منڈیوں کے رڈمل پر ہے جو کہ دوسروں کے ساتھ ساتھ،علاقائی سطح پرمسابقتی توانائی کی شرحوں کی فراہمی کویقینی بنائے۔

کمپنی کو ان کثیرجہتی اور بڑھتے ہوئے چیلنجز کا سامنا ہےاوراس نے یوری کمپنی میں لاگت میں کمی کے بڑےاقدامات کولا گوکرنے کامنصوبہ بنایا ہےاور مارکیٹ کے موجودہ خطرات سے نمٹنے کیلیے خود کوصف بندی کررہی ہے۔ آپ کی کمپنی سمبترین معار،مصنوعات کی تنوع، نئی منڈیوں کی تلاش اور پیداداری صلاحیتوں کو حاصل کرنے کیلئے بھی پرعزم ہیں۔

سولرانر جي سنهم کي تنصيب:

توانائی ے غیرمعمول طور پراب تک کے بلندترین نرخوں کے چینج سے نمٹنے کے لئے ، کمپنی نے شمس نظام کے ذریعے سے توانائی کے ذرائع یعنی سولرسٹم سے بحل پیدا کرنے کاانتظام کیا ہے۔اس سلسلے میں،آپ کی کمپنی کو یہ بتاتے ہوئے خوشی ہورہی ہے کہ پہلے مرحلے میں 3.3 مگاواٹ کا سولرانر جی سٹم درآ مدکیا گیا۔اوراس سسٹم کی تنصیب موجودہ سہ ماہی میں کلمل ہوجائے گی جس سے توانائی کی لاگت میں کمی آئے گی۔ گیس انجنوں کے زریعے پیدادار کی کوشش بھی جاری ہے جس سے یک کے گھنٹوں میں توانائی کی لاگت کو کم کرنے میں مدد ملے گی۔ مزید بیر که اسٹیٹ بینک کی کالیدی پالیسی کی شرح مسلسل کم ہورہی ہے اور فی الحال 15% تک کم ہوگئی ہے سہ ماہی کے دوران پالیسی کی شرح میں مزید کی بھی متوقع ہےجس سے کمپنی کو مالیاتی لاگت کوکم کرنے میں بھی مدد ملے گی۔

ڈیویڈنڈ: تمپنی کے بورڈ آف ڈائر یکٹرز نے6نومبر 2024 کوہونے والی میٹنگ میں کمپنی کے شیئر ہولڈرزکو سی قشم کے منافع کی سفارش نہیں گی۔

مستفل ا ثانوں کی قیمتوں کا از سرنونعین: موجودہ میلے کی عکاسی کرنے کے لئے آزاد قدر دان ایم اسٹریڈرز نے کمپنی کے مقررہ ا ثانوں (زمین، عمارت اور مشینری) کی قیمت 30 جون 2024 کو انجام دی تھی کے مپنی کے ا ثانوں کی قیمت، ا ثانوں میں حذف ہونے راضافے کے بعد خالص اثر کمپنی کے مالی بیانات میں ہوتا ہے۔

آئی ایس او**001:2015 کیوایم ایس سنداورآئی ایس او 14001:2015 ای ایم ایس سند:** آپ کے ڈائر یکٹران اس بات کا اظہار کرتے ہوئے خوثی محسوس کرتے ہیں کہ کمپنی نے کا میابی کے ساتھ آئی ایس او 2015:2015 کوالٹی نیچمنٹ مسٹم اور آئی ایس او 14001:2015 ماحولیاتی منیچمنٹ مسٹم کی اسناد کوجاری رکھا ہواہے۔

کوڈ آف کار پوریٹ گورنٹس کی پیروی: بورڈ آف ڈائر یکٹرز اورا نظامیل ٹی پینز (کوڈ آف کار پوریٹ گورنٹ) ریگولیشنز 2019 اور پاکستان سٹاک ایکیچینچ کی رول بک کے تحت اپنی ذمہ داری سے آگاہ ہیں۔ کمپنی شفاقیت اورانکشافات پرزوردینے کے ساتھا چھے کار پوریٹ نیچنٹ پریکٹس کے اصولوں پر قائم ہے۔ آپ کی کمپنی مالیاتی اور غیر مالیاتی معلومات کی درتگی، جامعیت اور شفاقیت کو بڑھانے کیلئے اپنی کارگردگی کی نگرانی کیلئے باخبر ہیں۔ کار پوریٹ قانون کی تحمیل میں، بورڈ کے ارکان/ڈائر کیٹرز درج ذیل کی تصدیق کرتے ہوئے خوش ہیں:

1۔ سمپنی کے تیار کردہ مالیاتی نتائج واضح طور پر سمپنی کے معاملات، پیدادار کے نتائج، نقدی بہاؤاور ایکوئٹ میں تبدیلیوں کوظاہر کرتے ہیں۔

2۔ کمپنی نے صحیح اکاؤنٹس کی گتب مرتب کی ہوئی ہیں۔

3-مالياتى نتائج كى تيارى ميں اكاؤئنگ پاليسيوں كوشلسل سے لا گوكيا جاتا ہے۔

4۔مالیاتی نتائج کی تیاری میں پاکستان میں رائج مین الاقوامی اکاؤنٹنگ معیارکولا گوکیاجا تاہے۔

5۔ کمپنی کااندرونی نگرانی کا نظام اچھابنایا گیاہےاوراسے موثر طور پرلا گووجانچاجا تاہے۔

6 کمپنی کی مالی حالت نہ صرف اچھی ہے بلکہ اس بات کو یقینی بناتی ہے کہ اس کا کاروبار پروان چڑ ھتار ہے گا۔

7 یمومی اورر وزمرہ بقایا جات کےعلاوہ ٹیکس محصول اور وصولیوں کی مدمیں کوئی پرانے بقایا جات نہیں ہیں۔

MAQBOOL فنانشل مائی لائٹس: سابقہ چھسالوں کابنیادی پیداداری اور مالیاتی مواد ضمیمہ ایک میں دیا گیا ہے۔

بورڈ کے اجلاس:

سال مختمہ 30 جون 2024 کے دوران بورڈ آف ڈائر یکٹرز کے سات (6) اجلاس منعقد ہوئے۔ ہرایک ڈائر یکٹر کی حاضری پنچے دی گئی ہے۔

STATEMENT OF COMPLIANCE WITH THE LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019 Year Ended June 30, 2024

This statement is being presented to comply with the Code of Corporate Governance (CCG) contained in the listing regulations of Pakistan Stock Exchange for the purpose of establishing a framework of good governance, whereby a listed Company is managed in compliance with the best practices of corporate governance.

Maqbool Textile Mills Limited (the company) has applied the principles contained in the Code of Corporate Governance in the following manner:

- 1. The total number of Directors are 10 as per the following:
 - i. Mian Tanvir Ahmad Sheikh
 - ii. Ms. Romana Tanvir Sheikh
 - iii. Mian Anis Ahmad Sheikh
 - iv. Mian Aziz Ahmad Sheikh
 - v. Mian Atta Shafi Tanvir Sheikh
 - vi. Mian Bakhtawar Tanvir Sheikh
 - vii. Mian Shafi Anis Sheikh
 - viii. Mr. Syed Raza Abbas Jaffery (Rep. NIT)
 - ix. Mr. Maj. Retd. Javed Mussarat
 - X. Mr. Tariq Rahim Anwar
 - 2. The company encourages representation of independent non-executive directors and directors representing minority interests on its board of directors. At present the board includes:

S. No	Category		Name Of Directors
		1.	Mr. Nazir Ahmad Khan
1	Independent Director*	2.	Mr. Syed Raza Abbas Jaffery
		3.	Mr. Tariq Rahim Anwar
2 <u>Executive Director</u>		1.	Mr. Tanvir Ahmad Sheikh
	Executive Director	2.	Mr. Anis Ahmad Sheikh
		3.	Mr. Atta Shafi Tanvir Sheikh
3 <u>Non-Executive Dire</u>		1.	Ms. Romana Tanvir Sheikh
	<u>Non-Executive Director</u>	2.	Mr. Aziz Ahmad Sheikh
		3.	Mr. Bakhtawar Tanvir Sheikh
		4.	Mr. Shafi Anis Sheikh

*The Independent Director meets the requirements as prescribed in PSX Rules Book.

*The number of Independent Directors as per the PSX Policy should be one third of the Board of Directors, which in case of MQTM comes to 3 of total 10 Directors. Because as per universal rule of mathematics if fraction is lower than 0.50% it will rounding to lower number

3. The directors have confirmed that none of them is serving as a director on more than seven listed companies, including this company (excluding the listed subsidiaries of listed holding companies where applicable).

- 4. The company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.
- 5. The board has developed a vision/mission statement, overall corporate strategy and significant policies of the company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
- 6. All the powers of the board have been duly exercised and decisions on relevant matters have been taken by board/shareholders as empowered by the relevant provisions of the act and these regulations.
- 7. The meetings of the board were presided over by the Chairman and, in his absence, by a director elected for this purpose. The board has complied with the requirements of act and the regulations with respect to frequency, recording and circulating minutes of meeting of board.
- 8. The Board of Directors has a formal policy and transparent procedures for remuneration of directors in accordance with the Act and these Regulations.
- 9. Majority of the Directors of the Company are exempt from the requirement of the directors training program or has obtained the exemption certificate:
- 10. The Board has approved appointment of CFO, Company Secretary and Head of Internal Audit, Including their remuneration and terms of employment and complied relevant requirements of the Regulations.
- 11. CFO and CEO duly endorsed the financial statement before approval of the board.
- 12. The board has formed committees comprising of members given below:
 - i. The board has constituted an Audit Committee. It comprises of three members, of whom two are non-executive directors and one independent director. The Chairman of the Committee is also a Independent Director.

Name of Member of Committee D	esignation
-------------------------------	------------

- i. Mr. Nazir Ahmad Khan Chairman
- ii. Mian Aziz Ahmad Sheikh Member
- iii. Mian Bakhtawar Tanvir Sheikh Member
- ii. The board has constituted a Human Resource (HR) & Remuneration Committee comprises of three members, of whom majority are non-executive directors including the Chairman of the committee.

- i. Mr. Tariq Rahim Anwar
 - Mian Tanvir Ahmad Sheikh Member
- iii. Mian Shafi Anis Sheikh Member
- 13. The terms of reference of the aforesaid committees have been formed, documented and advised to the committee for compliance.
- 14. The frequency of meetings (quarterly/half yearly/yearly) of the committee were as per following:

Chairman

ii.

i. Audit Committee 4 Meeti	ngs
----------------------------	-----

li. H.R. Committee

1 Meeting

15. The board has setup an effective internal audit function.

- 16. The statutory auditors of the company have confirmed that they have been given a satisfactory rating under the quality control review program of the ICAP, that they or any of the partners of the firm, their spouses and minor children do not hold shares of the company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
- 17. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Maqbool Textile Mills Limited

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **Maqbool Textile Mills Limited**(the Company) for the year ended June 30, 2024 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2024.

INDEPENDENT AUDITORS' REPORT

To the members of Maqbool Textile Mills Limited Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of Maqbool Textile Mills Limited (the Company) which comprise the statement of financial position as at June 30, 2024, the statement of profit or loss, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements including material accounting policy information and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, the statement of profit or loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan and give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Company's affairs as at June 30, 2024 and of the profit, other comprehensive income, the changes in equity and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following is the key audit matter:

Key audit matter	How the matter was addressed in our audit
Revenue Recognition	
The Company's sales comprise of revenue from the sale of yarn this has been disclosed in note 28 to the financial statements.	Our audit procedures to address the Key Audit Matter included the following:
Revenue from the contract (local and export) is recognized, when control related to the sale of goods is transferred and the performance obligation is satisfied i.e. on dispatch of goods (note 5.4.11). We identified revenue recognition as key audit matter as it is one of the key performance indicators of the Company and because of the potential risk that revenue transactions may not have been recognized based on transfer of control to the customers in line with the accounting policy adopted and may not have been recognized in the appropriate period.	Considered the appropriateness of revenue recognition policy and compared it with the applicable accounting standards; Obtained an understanding of and assessed the relevant design, implementation and operating effectiveness of controls around recognition of revenue; Checked on sample basis relevant underlying supporting documents for ensuring that management has complied with the revenue recognition criteria as per the requirement of IFRS 15; Tested timeliness of revenue recognition by comparing individual sales transactions before and after the year end to underlying documents and by checking significant credit notes issued after year-end; and Evaluated the adequacy and appropriateness of disclosures made in the financial statements in relation to adoption of the accounting and reporting standard applicable in Pakistan.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Responsibilities of Management and the Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that

may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

a) proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);

b) the statement of financial position, the statement of profit or loss account, the statement of comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

c) investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and

d) No zakat deducted at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980)

The engagement partner on the audit resulting in this independent auditor's report is Muhammad Sufyan

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2024

1. GENERAL INFORMATION

- 1.1 Maqbool Textile Mills Limited (the "Company") was incorporated in Pakistan on December 03, 1989 as a public limited company under the repealed Companies Ordinance, 1984 (now Companies Act, 2017) and is listed on Pakistan Stock Exchange. The registered office of the Company is situated at 2-Industrial Estate Multan, Pakistan. The Company is principally engaged in manufacturing and sale of yarn, cotton seed and cotton lint. The Company's area of the mill at unit 1, unit 2 and unit 4 is 65.64 acres located at M.M. Road, Chowk Sarwar Shaheed, District Muzaffargarh and area of unit 3 is 21.81 acres located at Rajana Road, Pirmahal, District Toba Tek Singh.
- 1.2 During the year, The Company has incurred loss of Rs. 698.42 million (2023: 362.73 million), resulting in accumulated (losses)/profit of Rs. (135.52 million) (2023: 517.57 million) as at the reporting date. Moreover, at the reporting date, the Company's current liabilities exceed its current assets by Rs.1523.83 million.

The loss was primarily due to increased electricity prices and a higher monetary policy rate. Subsequently, the Company has installed a solar system with a capacity of 3.3 Mega Watt and electricity tarrif has also decreased, which will reduce the electricity cost. Furthemore, the monetary policy rate has also been reduced from 22% to 15% which is expected to reduce futher. The Company has anticipated that thenext year will be profitable. Accordingly, the financial statements have been prepared on the going concern basis.

2. STATEMENT OF COMPLIANCE

2.1 These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and

- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS Standards, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3. ADOPTION OF NEW AND REVISED ACCOUNTING STANDARDS

The following amendments to existing standards have been published that are applicable to the Company's financial statements covering annual periods, beginning on or after the following dates:

3.1 New amendments that are effective for the year ended June 30, 2024

The following standards, amendments and interpretations are effective for the year ended June 30, 2022. These standards, amendments and interpretations are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

Amendments to IAS 1 'Presentation of Financial Statements' and IFRS Practice Statement 2 - Disclosure of accounting policies

Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of accounting estimates

Amendments to 'IAS 12 Income Taxes' - deferred tax related to assets and liabilities arising from a single transaction Amendments to IAS 12 'Income taxes' - International Tax Reform — Pillar Two Model Rules

3.2 Standards and amendments to IFRS that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

	Effective from accounting period
	beginning on or after
Amendments to IFRS 16 ' Leases' - Clarification on how seller-lessee	January01, 2024
- subsequently measures sale and leaseback transactions	
Amendments to IAS 1 'Presentation of Financial Statements'	January 01, 2024
- Classification of liabilities as current or non-current along with	
- Non-current liabilities with Convenants	
Amendments to IAS 7 'Statement of Cash Flows' and 'IFRS 7	January 01, 2024
'Financial instruments disclosures' - Supplier Finance Arrangements.	
Amendments to IAS 21 'The Effects of Changes in Foreign Exchange Rates'	January 01, 2025
- Clarification on how entity accounts when there is long term lack of Exchange	eability
IFRS 17 – Insurance Contracts (including the June 2020	January 01, 2026
and December 2021 Amendments to IFRS 17)	
Amendments IFRS 9 'Financial Instruments' and IFRS 7	January 01, 2026
'Financial instruments disclosures' - Classification and measurement of financial	cial instruments

Certain annual improvements have also been made to a number of IFRS.

3.2.1 Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

- IFRS 1 First Time Adoption of International Financial Reporting Standards
- IFRS 18 Presentation and Disclosures in Financial Statements
- IFRS 19 Subsidiaries without Public Accountability: Disclosures

3.3 Significant estimates

The preparation of financial statements in conformity with approved accounting standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised, if the revision affects only that period, or in the period of revision and future periods, if the revision affects both current and future periods.

Significant areas requiring the use of management estimates in these financial statements relate to the revaluation of certain item of property, plant and equipment, useful life of depreciable assets, employee retirement benefits, provision for doubtful receivables and taxation.

However, assumptions and judgments made by management in the application of accounting policies that have significant effect on the financial statements are not expected to result in material adjustment to the carrying amounts of assets and liabilities in the next year.

4. ADOPTION OF NEW ACCOUNTING

4.1. Accounting for minimum taxes and final taxes

During May 2024, The Institute of Chartered Accountants of Pakistan (ICAP) issued a guide 'IAS 12 Application Guidance on Accounting for Minimum taxes and Final taxes' (the Guide) to provide guidance on accounting of minimum tax and final tax, as mentioned in the Income Tax Ordinance, 2001, under the requirements of relevant IFRS Accounting Standards and provide appropriate approaches to account for minimum taxes and final taxes in compliance with the requirements of IFRS Accounting Standards.The guide was issued by Institute of Chartered Accountants of Pakistan (ICAP) in May 2024 'IAS 12 Application Guidance on Accounting for Minimum taxes and Final taxes' (the guide).

In view of the above clarifications from ICAP, it has been established that minimum tax and final taxes do not meet the criteria of income tax expense as per IAS 12 hence it should be accounted for under IFRIC 21 'Levies' and IAS 37 'Provisions, Contingent Liabilities and Contingent Assets'.

The Guide issued by ICAP provides approaches to account for minimum and final regime taxes according to the facts and circumstances as applicable to the Company. Accordingly, the Company has adopted the following approach:

Designate the amount calculated on taxable income using the notified tax rate as an income tax within the scope of IAS 12 'Income Taxes' and recognise it as current income tax expense. Any excess over the amount designated as income tax, is then recognised as a levy falling under the scope of IFRIC 21/IAS 37 Provisions, Contingent Liabilities and Contingent Assets". Therefore, the effective rate of income tax is equal to the enacted rate of income tax and and the deferred tax will be calculated at such rate.

Similarly, any amount deducted as final taxes will be classified as a levy in the statement of profit or loss and there would be no deferred tax liability / (asset) recognised in case of final taxes.

Super tax charged to entities as per provisions of Income Tax Ordinance, 2001, will be classified as either 'Income Tax' or 'levy' in accordance with guidance provided in the guide [i.e. if super tax calculation is based on taxable profits as defined in IAS 12, then, such super tax shall be recognised as 'income tax' otherwise such super tax shall qualify for recognition as 'levy' as per IFRIC 21 / IAS 37].

Advance taxes paid under any section of the Income Tax Ordinance, 2001, except minimum taxes paid under section 113, which are termed as levy as per the above guide will be classified as 'prepaid assets'.

The above changes have been accounted for in these financial statements as per the requirements of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors'. The adoption of this policy did not result in re-statement of financial statements since deferred tax liability recognised in the year ended June 30, 2023 was already at enacted rate and the application of this guide did not result any material differences except for reclassifications which are presented

as below:

	Current		Previous
	Classification		Classification
	(Rupees)		
Effect on statement of financial position:			
As at June 30, 2023			
Advance Taxes and levy:			
income tax	23,246,203		145,508,899
Levy	122,262,696	_	-
	145,508,899	-	145,508,899
Effect on statement of profit or loss:		-	
For the year ended June 30, 2023			
Income tax	(29,481,934)		92,780,762
Revenue taxes:	118,259,877		-
Final taxes:	4,002,819	-	-
	92,780,762		92,780,762
		-	

4.2. Significant Accounting Policy to Material Accounting Policies Information

During the year, the Company adopted the Disclosure of Accounting Policies (Amendments to IAS 1) from January 01, 2023. The amendments require the disclosure of 'material', rather than 'significant', accounting policies. Although the amendments did not result in any changes to the accounting policies themselves.

5. MATERIAL ACCOUNTING POLICIES INFORMATION

5.1 Basis of measurement

These financial statements have been prepared under historical cost convention except indicated in note 5.4.1, 5.4.5, 5.4.9, 5.4.10, 5.4.12 and 5.4.17.

5.2 Functional and presentation currency

The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

5.3 Critical judgements and accounting estimates in applying the accounting policies

The preparation of financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts assets, liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under circumstances, the results of which form the basis of making the judgement about carrying values of assets and liabilities that are not readily apparent from other resources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on the ongoing basis. Revisions to accounting estimates are recognized in the period in which estimate is revised if the revision affects only that period, or in the period of revision and future period if the revision affects both current and future periods.

In preparing these financial statements, the significant judgement made by the management in applying accounting policies include:

- useful lives of property, plant and equipment (notes 5.4.1 and 7.1)

- provision for staff retirement benefits (notes 5.4.10 and 23)
- provision for taxation (notes 5.4.9 and 34,35 and 36)
- revaluation of property, plant and equipment (notes 5.4.1 and 7.5)
- provision for trade debts under expected credit loss model (note 5.4.5.1(d))
- provision for loans and advances to suppliers (note 11)

5.4. Summary of accounting policies

5.4.1. Property, plant and equipment

Property, plant and equipment except freehold land, building on freehold land, plant and machinery, generator and electric fittings and installations and capital work-in-progress are stated at cost less accumulated depreciation and impairment losses, if any.

Freehold land, building on freehold land, plant and machinery, generator and electric fittings and installations are stated at revalued amount being the fair value at the date of revaluation, less any subsequent accumulated depreciation and impairment losses, if any. Revaluations are performed with sufficient regularity so that the fair value and carrying value do not differ materially at the statement of financial position date. Any revaluation increase arising on the revaluation of such asset is credited in 'Surplus on revaluation of property, plant and equipment'. A decrease in the carrying amount arising on revaluation is charged to profit or loss to the extent that it exceeds the balance, if any, held in the surplus on revaluation account relating to previously revalued assets.

To the extent of incremental depreciation charged on revalued assets, the related surplus on revaluation (net of deferred tax) is transferred directly to retained earnings/unappropriated profit. Depreciation on property, plant and equipment, except freehold land and capital work-in-progress, is charged to statement of profit or loss applying reducing balance method over the estimated useful lives of the assets at the rates shown in note 5.1 to the financial statements.

Depreciation on additions is charged from the month the asset is available for use up to month immediately preceding the date of disposal. Gains and losses on disposal of property, plant and equipment if any, are recognized in statement of profit or loss, as and when incurred. Assets are derecognized when disposed or when no future economic benefits are expected from its use or disposal.

Maintenance and normal repairs are charged to statement of profit or loss as and when incurred. Major renewals and improvements are capitalized.

5.4.2. Right-of-use assets and lease liabilities

Leases are recognised as right-of-use assets and corresponding liabilities at the date at which the leased assets are available for use by the company.

The lease liabilities are initially measured at the present value of the minimum lease payments at the commencement date, discounted using the interest rate implicit in the lease, or if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate. At initial recognition, liabilities were discounted using the Company's incremental borrowing rate. Lease payment includes fixed payments with annual increments. The lease liabilities are subsequently measured at amortised cost

using the effective interest rate.

Right-of-use assets are initially measured based on the initial amount of the lease liabilities adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentive received. The right-of-use assets are depreciated on a straight line method over the lease term as this method most closely reflects the expected pattern of consumption of future economic benefits. The carrying amount of the right-of-use asset is reduced by impairment losses, if any. At transition, the Company recognised right of use assets equal to the present value of lease payments.

5.4.3.Capital work-in-progress

Capital work-in-progress (CWIP) is stated at cost less any recognized impairment loss. All expenditures connected to the specific assets incurred during installation and construction period are carried under CWIP. These are transferred to specific assets as and when assets are ready for their intended use.

5.4.4. Impairment of non-financial assets

The Company assesses at each statement of financial position date whether there is any indication that assets may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying values exceed the respective recoverable amount, assets are written down to their recoverable amount and the resulting impairment loss is recognized in statement of profit or loss. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

Where impairment loss subsequently reverses, the carrying amount of the assets is increased to the revised recoverable amount but limited to the extent of carrying amount that would have been determined had no impairment loss been recognized in prior periods. Reversal of impairment loss is recognized as income.

5.4.5. Financial Instruments

Financial assets and financial liabilities are recognised in the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit or loss.

5.4.5.1. Financial assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

All recognised financial assets are measured subsequently in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification of financial assets

a) Debt instruments measured at amortised cost

Debt instruments that meet the following conditions are measured subsequently at amortised cost:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and

- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost and effective interest method

The amortised cost of a financial asset is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus the cumulative amortization using the effective interest method of any difference between that initial amount and the maturity amount, adjusted for any loss allowance. The gross carrying amount of a financial asset is the amortised cost of a financial asset before adjusting for any loss allowance.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating

interest income over the relevant period. Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset.

As at reporting date, the Company carries cash and cash equivalents and trade debts at amortised cost.

b) Debt instruments measured at fair value through other comprehensive income (FVTOCI) Debt instruments that meet specified conditions and are measured subsequently at fair value through other comprehensive income (FVTOCI).

As at reporting date, the Company does not hold any debt instrument classified as at FVTOCI.

Equity instruments designated as at FVTOCI c)

On initial recognition, the Company may make an irrevocable election (on an instrument?by?instrument basis) to designate investments in equity instruments as at FVTOCI.

As at reporting date, the Company does not hold any equity instrument classified as at FVTOCI.

d) Financial assets measured subsequently at fair value through profit or loss (FVTPL)

By default, all other financial assets are measured subsequently at fair value through profit or loss (FVTPL). As at reporting date, the Company does not hold any equity instrument classified as at FVTPL.

Impairment of financial assets

The Company recognises a loss allowance for expected credit losses(ECL) on financial assets that are measured at amortised cost, as well as on financial guarantee contracts. The amount of ECL is updated at each reporting date to reflect changes in credit risk since initial recognition of the respective financial instrument.

The Company always recognises lifetime ECL for trade debts. For all other financial instruments, the Company recognises lifetime ECL when there has been a significant increase in credit risk since initial recognition. However, if the credit risk on the financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month ECL. Lifetime ECL represents the expected credit losses that will result from all possible default events over the expected life of a financial instrument.

In contrast, 12?month ECL represents the portion of lifetime ECL that is expected to result from default events on a financial instrument that are possible within 12 months after the reporting date. IFRS 9 does not define what constitutes a significant increase in credit risk. In assessing whether the credit risk of an asset has significantly increased the Company takes into account qualitative and quantitative reasonable and supportable forward looking information. The historical loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors affecting the ability of the customers to settle the receivables.

The measurement of expected credit losses is a function of the probability of default, loss given default (i.e. the magnitude of the loss if there is a default) and the exposure at default. The assessment of the probability of default and loss given default is based on historical data adjusted by forward-looking information as described above. As for the exposure at default, for financial assets, this is represented by the assets' gross carrying amount at the reporting date; for financial guarantee contracts, the exposure includes the amount drawn down as at the reporting date, together with any additional amounts expected to be drawn down in the future by default date determined based on historical trend, the Company's understanding of the specific future financing needs of the debtors, and other relevant forwardlooking information.

Definition of default:

The Company considers the following as constituting an event of default for internal credit risk management purposes as historical experience indicates that financial assets that meet either of the following criteria are generally not recoverable:

- when there is a breach of financial covenants by the debtor; or

- information developed internally or obtained from external sources indicates that the trade debts are unlikely to pay its trade payables, including the Company, in full (without taking into account any collateral held by the Company). Write-off policy

The Company writes off financial assets when there is information indicating that the debtor is in severe financial difficulty and there is no realistic prospect of recovery. Financial assets written off may still be subject to enforcement activities under the Company's recovery procedures, taking into account legal advice where appropriate. Any

recoveries made against financial assets written-off are recognised in statement of profit or loss.

Derecognition of financial assets

The Company derecognizes a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company retains to recognise the financial asset and also recognises a collateralized borrowing for the proceeds received.

On derecognition of a financial asset measured at amortised cost, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in statement of profit or loss.

5.4.5.2. Financial liabilities

Subsequent measurement of financial liabilities

Financial liabilities that are not

- contingent consideration of an acquirer in a business combination,
- held-for-trading, or
- designated as at FVTPL.

are measured subsequently at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future

cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the amortised cost of a financial liability.

5.4.5.3. Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in statement of profit or loss.

5.4.5.4. Off setting of financial assets and financial liabilities

A financial asset and a financial liability is offset and the net amount reported in the statement of financial position, if the Company has a current legal enforceable right to set off the recognized amount and the Company also intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

5.4.6. Stores and spares

These are valued at lower of cost and net realizable value, determined on moving average cost less allowance for obsolete and slow moving items. Items in transit are valued at invoice values plus other charges incurred thereon. Net realizable value signifies the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

5.4.7. Stock in trade

These are valued at lower of cost and net realizable value. Cost is determined as :

Raw material	Weighted average cost.
Material in transit	Cost accumulated up to statement of financial position date.
Work in process	Average manufacturing cost.
Finished goods	Average manufacturing cost.
Waste	Net realizable value.

Net realizable value signifies the estimated selling price in the ordinary course of business less estimated costs of completion and estimated cost necessary to be incurred to effect such sale.

5.4.8. Cash and cash equivalents

Cash and cash equivalents are carried in the statement of financial position at cost. For the purpose of cash flow statement, cash and cash equivalents consist of cash in hand, balances with banks and runnig finances.

5.4.9. Taxation / Revenue Taxes / Final Taxes

Current

Charge for current taxation is based on taxable income at the current rates of taxation after taking into account tax credits and tax rebates available, if any, as per Income Tax Ordinance, 2001.

MAQBOOL

Revenue Taxes

Revenue taxes includes amount representing excess of :

a)minimum tax paid under section 113 over income tax determined on income streams taxable at general rate of taxation; and

b)minimum tax withheld / collected / paid or computed over tax liability computed on (related income tax streamstaxable at general rate of tax), is not adjustable against tax liability of subsequent tax years.

Amount over income tax determined on incomestreams taxable at general rate of taxation shall be treated as revenue taxes.

The company determines, based on expected future taxable profits, that excess paid under section 113 by the entity over and above its tax liability (on income stream(s) taxable at general rate of taxation) is expected to be realized in subsequent tax years, then, such excess shall be recorded as deferred tax asset adjustable against tax liability for subsequent tax years. This shall be recognized as 'deferred tax asset' for the reason that it represents unused tax credit as it can be adjusted only against tax liability (of subsequent tax years) arising on taxable income subject to general rate of taxation. Such an asset shall be subject to requirements contained in IAS 12 'Income Tax'

A levy is an outflow of resources embodying economic benefits that is imposed by governments on entities in accordance with legislation (i.e. laws and/or regulations), other than:

(a) those outflows of resources that are within the scope of other standards.

(b) fines or other penalties that are imposed for breaches of the legislation.

In these financial statements, levy includes minimum taxes differential, if any, final taxes and super taxes which are calculated on a basis other than taxable profits. The corresponding advance tax paid, except for minimum taxes under section 113, which are treated as levy are recognised as prepaid assets.

Final Taxes

Final taxes includes tax charged / withheld / paid on certain income streams under various provisions of Income Tax Ordinance, 2001 (Ordinance). Final tax is charged / computed under the Ordinance, without reference to income chargeable to tax at the general rate of tax and final tax computed / withheld or paid for a tax year is construed as final tax liability for the related stream of Income under the Ordinance.

Final tax paid is considered to be full and final discharge of the tax liability for the Company for a tax year related to that income stream.

Deferred

Deferred tax is provided using the liability method for all temporary differences at the reporting date between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes after considering, the average enacted tax rate.

Deferred tax asset is recognized for all deductible temporary differences and carry forward of unused tax losses, if any, to the extent that it is probable that taxable profit will be available against which such temporary differences and tax losses can be utilized. Deferred tax assets and liabilities are measured at the tax rate that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the statement of financial position date.

5.4.10. Staff retirement benefits - gratuity

The main features of the scheme operated by the Company for its employees are as follows:

Defined benefit plan

The Company operates an unfunded gratuity scheme for all employees according to the terms of employment subject to a minimum qualifying period of service. Annual provision is made on the basis of actuarial valuation to cover obligations under the scheme for all employees eligible to gratuity benefits irrespective of the qualifying period.

5.4.11. Revenue recognition

Revenue from contracts with customers is recognised at the point in time when the performance obligation is satisfied

MAQBOOL

i.e. control of goods is transferred to the customer at an amount that reflects the consideration to which the company expects to be entitled to in exchange for those goods.

5.4.12. Government Grant

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to costs are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate.

Government grants relating to the refinance scheme are included in current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the tenure of the loan.

5.4.13. Foreign currency translation

Transactions in foreign currencies are translated at the rates of exchange prevailing on the dates of the transactions. At each statement of financial position date, monetary assets and liabilities that are denominated in foreign currencies are retranslated at the rates prevailing on the statement of financial position date except where forward exchange contracts have been entered into for repayment of liabilities, in that case, the rates contracted for are used. Gains and losses arising on retranslation are included in profit or loss for the period.

5.4.14. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are capitalized as part of the cost of the respective assets, until such time as the assets are substantially ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

All other borrowing costs are charged to statement of profit or loss in the period in which they are incurred.

5.4.15. Dividend

Dividend distribution to the Company's shareholders is recognised as a liability in the financial statements in the period in which the dividends are approved by the Company's shareholders.

5.4.16. Trade and other payables

Liabilities for trade and other amounts payable are carried at cost which is the amortised cost of the consideration to be paid in future for goods and services received whether billed to the Company or not.

5.4.17. Provisions

Provisions are recognised when the Company has a present, legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed periodically and adjusted to reflect the current best estimate.

5.4.18. Earnings per share

The Company presents basic and diluted earnings per shares (EPS). Basic EPS is calculated by dividing the profit or loss attributable to share holders of the Company by the weighted average number of ordinary shares outstanding during the period. Diluted EPS is determined by adjusting the profit or loss attributable to share holders and the weighted average number of ordinary shares outstanding, adjusted for the effects of all dilutive potential ordinary shares.

6. RESTATEMENT OF CORRESPONDING FIGURES

During the year, it was identified that certain electricity bills related to the Company's manufacturing facility were received in the prior period but were not recorded in the books of account. Consequently, the amounts pertaining to these electricity bills have now been recorded in the correct period.

The significant effect of this rectification of error has been applied retrospectively in accordance with the requirement of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' and corresponding figures have been restated accordingly. The summary of the effects are as follows:

		June 30, 2023	
	As previously reported	Adjustment	As restated
	Rupees	Rupees	Rupees
Effect on statement of financial position:			
Unappropriated profit	630,760,398	(113,192,069)	517,568,329

7.4 Revaluation of freehold land, building on free hold land and plant & machinery was carried out as on June 30, 2024 by independent valuer M/s K.G. Traders (Pvt.) Limited. Revaluation surplus has been credited to surplus on revaluation of property, plant and equipment. The basis used for the revaluation of these assets were as follows: Freehold land and building on free hold land

Fair market value of the land was assessed through inquiries from various estate agents, brokers and builders / developers and keeping in view the location of the property, its size, status, utilization, cost of new construction, construction standard, depreciation cost factor, state of infrastructure and current trends in prices of real estate in the vicinity of the property.

Plant and machinery

Fair market value of the plant and machinery was assessed through inquiries of local authorized dealers who deal in old and new similar type of plant and machineries. Replacement value was then ascertained from competitive rates of the plant and machinery and thereafter, an average depreciation factor was applied on the replacement value of the plant and machinery.

7.5 Forced sale value of the above revalued items of property, plant and equipment is as follows:

	Rupees
Land - freehold	573,302,400
Buildings on freehold land	1,073,136,800
Plant and machinery including generator and electric fittings and installations	2,438,977,600
	4,085,416,800

7.6 Had there been no revaluation, the related carrying amounts of freehold land, buildings on freehold land, plant and machinery would have been as follows:

	3,856,740	7,114,783
The latest actuarial valuation for gratuity scheme wa	as carried out as at June 30	2024 using Projected

The latest actuarial valuation for gratuity scheme was carried out as at June 30, 2024 using Projected Unit Credit Method. The following significant assumptions have been used for valuation of defined benefit obligation of the company:

	2024	2023
- Discount rate	14.75%	16.25%
- Expected increase in eligible salary	12.75%	14.25%
- Average expected remaining working life time	10 years	10 years
- Mortality rate	SLIC(2001-2005)	SLIC (2001-2005)
Maturity Profile		
Average duration of liability	9 Years	9 Years

Expected expenses for the next year

The expected contribution to the gratuity scheme for the next year (2025) works out to Rs. 45.20 million. **Sensitivity analysis as at June 30, 2024**

Significant actuarial assumptions for the determination of the defined obligation are discount rate and expected rate of salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant:

- If the discount rate is 100 basis points higher / (lower), the defined benefit obligation would decrease by Rs. 5.7 million/ (increase by Rs. 6.3 million).

- If the expected rate of salary increases / (decreases) by 100 basis points, the defined benefit obligation would increase by Rs. 6.3 million / (decrease by Rs. 5.7 million).

Furthermore in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation recognized in the statement of financial position.

- **26.1** These running finance facilities have been obtained from various Banks for working capital requirements, and are secured against personal guarantee of directors and joint pari passu charge over current assets of the Company. Running finance facilities carry mark up at the rates ranging from 20.85% to 25.03% per annum (2023: 11.74% to 23.23% per annum).
- 26.2 These facilities have been obtained from various Banks for working capital requirements, and are secured against pledge of cotton bales, MM fiber, and yarn in lock and key under bank's muccaddum. Cash finance facilities carry mark up at the rates ranging from 22.34% to 24.99% per annum (2023: 12.20% to 22.98% per annum).
- **26.3** These facilities have been obtained from various banks for working capital requirements, and are secured against joint pari passu charge of Rs. 723 million over present and future current assets of the Company and personal guarantee of directors of the Company. These facilities carries profit at the rate ranging from 18.95% to 24.78% per annum (2023: 12.40% to 22.94% per annum).

26.4 Short term borrowings are available from various commercial banks under mark-up arrangements aggregating to Rs. 5,046 million (2023: Rs. 6,650 million) of which facilities remained un-utilized at the year end amounted to Rs. 2,005.8 million (2023: Rs. 3,757 million).

27. CONTINGENCIES AND COMMITMENTS

27.1 Contingencies

The Company during the year ended September 30, 1999, filed a written petition with the Lahore High Court Multan Bench against the Chairman, Administrator Town Committee Muzaffargarh praying that the respondent be ordered to implement the orders of the Lahore High Court regarding the refund of the Zila Tax collected from the petitioner to the tune of Rs. 0.886 million. In this respect an amount of Rs. 0.161 million has been received against Zila Tax. The refund of the balance amount of Rs. 0.725 million is still pending.

27.2 The Company has imported textile machinery availing exemption from custom duty and sales tax on importation thereof under S.R.Os 554(1)/98, 987(1)/99 and 369(1)/2000. The Company has submitted indemnity bonds to the Customs Authorities in this regard. In case the conditions of aforementioned S.R.Os are violated, the amount of customs duty and sales tax exempted aggregating Rs. 65.283 million shall be recoverable by the Customs Authorities along with such penalties imposed in this regard under Section 202 of the Customs Act, 1969.

27.3 Commitments

Commitments outstanding at the end of the year in respect of irrevocable letter amounted to Rs. 390.96 million (2023: Rs. 360.38 million) and guarantees issued to Faisalabad Electric Supply Company on behalf of the Company is Rs. 18.02 million (2023: Rs. 18.02 million).

Weighted average number of shares	Number	18,432,000	18,432,000
Earnings per share - basic and diluted	Rupees	(37.89)	(19 .68)

38. FINANCIAL RISK MANAGEMENT

38.1 The Company is exposed to a variety of financial risks: market risk (including currency risk, other price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimize potential adverse effects on the financial performance.

38.2 Credit risk and concentration of credit risk

Credit risk represents the accounting loss that would be recognized at the reporting date if counter parties fail completely to perform as contracted. Out of the total financial assets of Rs. 678.31 million (2023: Rs. 1,556.01 million), the Company manages credit risk in trade debts by assigning credit limits to its customers and thereby does not have significant exposure to any individual customer.

Credit risk of the Company arises principally from long term deposits, trade debts, loans and advances and bank balances. The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date is as follows:

		2024	2023
	Note	Rupees	Rupees
Financial assets as per statement of financial po	osition		
Long term deposits		8,714,089	11,222,314
Trade debts		549,587,043	1,404,086,258
Loans and advances		10,305,790	8,762,219
Other financial assets		10,386,500	10,395,667
Bank balances	_	4,510,523	33,942,772
		583,503,945	1,468,409,230

38.2.1 Credit risk related to Trade debts

The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults. The Company's exposure is continuously monitored and the aggregate value of transactions concluded is spread amongst approved counterparties. Credit exposure is controlled by counterparty limits that are reviewed and approved by the management annually.

Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Company's credit risk is concentrated to 6 counterparties which constitute more than 50% of the total receivables. The parties were evaluated by the mangement before granting them such credit terms.

38.2.2 Credit risk with banking companies

The Company limits its exposure to credit risk by only investing in highly liquid securities and only with counterparties that have a good credit rating. Given these credit ratings, management does not expect any counterparty to fail to meet its obligations. The names and credit ratings of major banks, where the Company maintains bank balances as at June 30, 2024 are as follows:

Bank Name	Rating	<u>Short Term</u>	<u>Long Term</u>
Bank Name	<u>Agency</u>	<u>Loans</u>	<u>Loans</u>
The Bank of Punjab	PACRA	A1+	AA+
Askari Bank Limited	PACRA	A1+	AA+

38.3 Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Board of directors, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. Note 39.3.3 below sets out details of additional undrawn facilities that the Company has at its disposal to further reduce liquidity risk.

38.3.1 Liquidity and interest risk table

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.

M A Q B O O L

Maqbool Textile Mills Limited

38.3.2 The following table details the Company's expected maturity for its non-derivative financial assets. The table has been drawn up based on the undiscounted contractual maturities of the financial assets including interest that will be earned on those assets. The inclusion of information on non-derivative financial assets is necessary in order to understand the Company's liquidity risk management as the liquidity is managed on a net asset and liability basis.

Amount un-utilized	2,005,816,325	3,756,439,373

38.4 Market risk management

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters while optimizing returns.

38.4.1 Interest rate risk management

Interest / mark-up rate risk arises from the possibility that changes in interest / mark-up rates will affect the value of financial instruments. The Company has significant amount of interest based financial assets and financial liabilities which are largely based on variable interest / mark-up rates, therefore the Company has to manage the related finance cost which exposes it to the risk of 1 month, 3 months and 6 months KIBOR.

38.4.2 The exposure of the Company's borrowings to interest rate changes and the contractual repricing dates at the statement of financial position date are as follows:

	2024	2023
	Rupees	Rupees
Short term borrowings	3,040,183,675	2,893,560,627
Other Financial Assets	10,000,000	10,000,000
Long term loans	525,378,621	599,310,824
Lease Liability	24,647,702	42,422,125
	3,600,209,998	3,545,293,576

38.4.3 Interest rate sensitivity

If interest rates had been 100 basis points lower / higher and all other variables were held constant, the Company's profit for the year would have been lower / higher by Rs. 36.66 million (2023: Rs. 35.15 million). This is mainly attributable to the Company's exposure to interest rates on its variable rate borrowings.

38.5 Foreign exchange risk management

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. Foreign currency risk arises mainly where receivables and payables exist due to transactions with foreign undertakings and balances held in foreign currency. However currently, the Company's foreign exchange risk exposure is restricted to amounts receivable from foreign entities. As at June 30, 2024, the total foreign currency risk exposure was nil in respect of trade debts only.

38.6 Foreign currency sensitivity analysis

At June 30, 2024, if the Rupee had weakened / strengthened by 10% against the US Dollar with all other variables held constant, profit for the year would have been higher / lower by Rs. nil million (2023: Rs. nil), mainly as a result of foreign exchange losses / gains on translation of foreign currency trade debts which are US\$, the closing exchange rate of US\$ at year end was Rs. 278.34.

38.7 Determination of fair values

Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values.

Fair value estimation

IFRS 13 requires fair value measurement disclosures using following three level fair value hierarchy that reflects the significance of the inputs used in measured fair value of financial instruments.

- Level 1 Quoted prices (unadjusted) in active market for identical assets or liabilities.

- Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. drive from prices).

- Level 3 Inputs for asset or liability that are not based on observable market data (unobservable inputs). The Company does not have any other financial instruments to be classified other than mention below.

The Company follows the revaluation model for its free hold land, building on free hold land, plant and machinery, generator and electric fittings and installations. The fair value measurement as at June 30, 2024 was performed by K.G. Traders (Private) Limited. K.G. Traders (Private) Limited is on panel of Pakistan Banks Association as 'Any Amount' asset valuator. It is also on the panel of State Bank of Pakistan and possesses appropriate qualification and recent experience in the fair value measurements in the relevant locations.

The fair value of the assets was determined using the comparable price method after performing detailed enquiries and verification from various estate agents, brokers and builders keeping in view the location of the property/project, condition, size, utilization, and other relevant factors. In estimating the fair value of free hold land, building on free hold land and plant and machinery, generator and electric fittings and installations, the highest and best use of these assets is their current use.

Since the date of last revaluation, there has been no material change in the market factors that derive fair value of these properties, therefore, management believes that the carrying value of these non financial assets approximate its fair market value.

Other financial assets include term finance certificate. Term finance certificate are valued at amortized cost.

38.8 Financial instruments by category

The accounting policies for financial instruments have been applied for line items below:

	2024	2023
	Rupees	Rupees
Financial assets at amortised cost		
Long term deposits	8,714,089	11,222,314
Trade debts	549,587,043	1,404,086,258
Loans and advances	10,305,790	8,762,219
Other financial assets	10,386,500	10,395,667
Cash and bank balances	7,488,368	37,211,751
	586,481,790	1,471,678,209
Financial liabilities at amortised cost		
Long term financing	525,378,621	599,310,824
Short term borrowings	3,040,183,675	2,893,560,627
Lease Liability	24,647,702	42,422,125
Accrued mark up	180,557,187	162,294,674
Trade and other payables	900,776,702	1,269,263,895
Unpaid dividend	3,526,445	3,810,315
Unclaimed dividend	3,005,565	3,005,565
	4,678,075,897	4,973,668,025
CAPITAL RISK MANAGEMENT		

39. CAPITAL RISK MANAGEMENT

The Board's policy is to maintain an efficient capital base so as to maintain investor, creditor and market confidence and to sustain the future development of its business. The Board of Directors monitors the return on capital employed, which the Company defines as operating income divided by total capital employed. The Board of Directors also monitors the level of dividends to ordinary shareholders. The Company's objectives when managing capital are:

i) to safeguard the entity's ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders, and

ii) to provide an adequate return to shareholders.

The Company monitors capital on the basis of the debt-to-equity ratio calculated as a ratio of total debt to equity.

The debt-to-equity ratios as at 30 June were as follows:

	2024	2023
	Rupees	Rupees
Total debt	1,989,626,120	2,426,459,442
Less: cash and cash equivalents	1,668,542,313	1,168,523,173
Net debt	3,658,168,433	3,594,982,615
Total equity	2,389,476,125	2,515,685,257
Adjusted capital	6,047,644,558	6,110,667,872
Debt-to-adjusted capital ratio	60%	59%

The increase in the debt-to-equity ratio in 2023 resulted primarily due to increase in borrowings of the Company through commercial banks as in note 22.

Neither there were any changes in the Company's approach to capital management during the year nor the Company is subject to externally imposed capital requirements.

Spinning Unit-1			
Spindles installed and worked	No.	27,696	27,696
Shift worked	No.	860	930
Standard production after conversion into 20's count	Kgs	12,106,987	12,106,987
Actual production of yarn after conversion into 20's count	Kgs	6,942,422	8,673,792
Spinning Unit-II			
Spindles installed and worked	No.	27,864	27,864
Shift worked	No.	948	950
Standard production after conversion into 40's count	Kgs	4,558,526	4,558,526
Actual production of yarn after conversion into 40's count	Kgs	4,487,540	3,790,430
Spinning Unit-III			
Spindles installed and worked	No.	26,664	26,664
Shift worked	No.	1,039	950
Standard production after conversion into 30's count	Kgs	7,939,375	7,939,375
Actual production of yarn after conversion into 30's count	Kgs	7,407,231	5,834,782
Spinning Unit-IV			
MVS spindles installed	No.	576	576
Shift worked	No.	987	980
Standard production after conversion into 20's count	Kgs	4,006,649	4,006,649
Actual production of yarn after conversion into 20's count	Kgs	3,812,401	3,719,875

It is difficult to describe precisely the production capacity in spinning mills as it fluctuates widely depending on various factors, such as count of yarn spun, spindles speed, twist and raw materials used. It also varies according to the pattern of production adopted in a particular year.

45. NUMBER OF EMPLOYEES

The number of employees for the year ended June 30 were as follows:

	2024	2023
	Numb	ber
Total number of employees	1,073	1,703
Average number of employees during the year	1,186	1,689

46. SALES PERCENTAGE REPORTING

These financial statements have been prepared on the basis of a single reportable segment. Sales percentage on unit basis is as follows:

	2024	2023
	InPer	cent
Unit 1	28.38%	37.88%
Unit 2	28.52%	26.62%
Unit 3	30.67%	25.18%
Unit 4	12.42%	10.31%

47. DATE OF AUTHORIZATION OF FINANCIAL STATEMENTS

These financial statements were approved and authorized for issue on November 06, 2024 by the Board of Directors of the Company.

48. GENERAL

Figures have been rounded-off to the nearest rupee except stated otherwise.
